COMBINED SYNOPSIS SOLICITATION

Solicitation Number: PANHEC-26-P-0000 026407

Requirement Title: CWMS Database Authorization Maintenance and Improvements

I. GENERAL INFORMATION

This is a combined synopsis/solicitation for Commercial Products and Commercial Services prepared in accordance with the format in Revolutionary Federal Acquisition Regulation Overhaul (RFO) 12.202.

A Firm Fixed Priced (FFP) award will be made in accordance with the following:

The North American Industrial Classification System (NAICS) code for this acquisition is 541511 Custom Computer Programming Services: with a size standard of \$34.0M.

II. NATURE OF ACQUISITION:

The U.S. Army Corps of Engineers Institution for Water Resource (IWR) has a requirement to purchase the services stated below. This procurement will be awarded using Simplified Acquisition Procedures.

All questions must be received by 24 AUG 2026, 4:30 pm US Eastern Time (ET).

Proposals must be received no later than **03 SEP 2026, 4:30 pm ET.**

Electronic proposals submitted via email are required.

The email for questions and proposals must be submitted to the Contract Specialist:

Ms. Quan Nguyen, at email: Quan.Nguyen@usace.army.mil

and a copy furnished to the Contracting Officer

Mr. David A. Kaplan, at email: David.A.Kaplan@usace.army.mil

It is the Offeror's responsibility to ensure the proposal has been received by the contracting office via email prior to the due date and time. Fax proposals will not be accepted. Late proposals will be processed in accordance with RFO 12.203 Evaluation. Upon receipt of the electronic offer, the Government will acknowledge receipt of that offer via email to the Offeror.

III. SCHEDULE OF SUPPLIES/SERVICES:

The contractor will provide support for software enhancements to the CWMS, focusing on the database and API components. This includes improving the authorization web UI, implementing the new authorization system within the CWBI cloud environment, conducting load testing, and performing ongoing maintenance and improvements based on user feedback.

Period of Performance:

The period of performance is 360 calendar days from date of contract award.

Place of Performance:

The Offeror's facility. See the PWS for additional information.

IV. BASIS FOR AWARD

All Proposals will be comparatively evaluated in accordance with RFO 12.203 Evaluation. Evaluation will be based on the factors described below: **Technical and Price**. The binding Price Proposal must be submitted using the CLIN structure below in Factor 4 - Price.

The Government will use price analysis to determine the total evaluated price. The price factor will be evaluated for price reasonableness in accordance with RFO 12.203(a)(3). See also RFO 15.404-1. The price to be analyzed is the total price inclusive of the base and all options.

Contract Line Items: This requirement and associated contract line-item numbers (CLIN) are provided below (also within the PWS):

CLIN	Description	Quantity	Unit of Measure	Price
1001	Task 1a	1	Job	
1002	Task 1b	1	Job	
2001	Task 2	1	Job	
3001	Task 3a	1	Job	
3002	Task 3b	1	Job	
4001	Task 4	1	Job	
5001	Task 5a	1	Job	
5002	Task 5b	1	Job	
Grand Total				

All services are to be performed in accordance with the attached PWS.

Price must show the total price per task to complete the required services in accordance with the PWS, including all indirect rates and profit. This requirement will be awarded as a firm-fixed price contract.

Negotiations: The Government intends to award a contract without negotiations with respective offerors. Offerors shall submit sufficient information and, in the format specified in the Proposal

Preparation Instructions. Offerors may be asked to clarify certain aspects of their offer (e.g., the relevance of technical capability information).

V. PROPOSAL PREPARATION INSTRUCTIONS RFO 52.212-1 ADDENDUM - INSTRUCTIONS TO OFFERORS – COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES

To ensure timely and equitable evaluation of proposals, offerors must comply with instructions contained herein. Proposals must be complete, detailed and respond directly to the requirements of this solicitation.

Interested parties capable of providing the requirement must submit a signed and dated offer on company letterhead with unit prices, extended prices, discount terms, tax identification number, CAGE code, and SAM UEI in response to this solicitation. The requirements of this synopsis/solicitation, including specification, "Schedule of Supplies/Services" and terms and conditions, the offeror agrees to all solicitation requirements. Offerors must clearly identify any exception to the solicitation terms and conditions and provide complete accompanying rationale. All offer information shall be emailed to the points of contact listed in the notice. The offer must be signed and dated by an authorized official of the company. **Electronic submissions via e-mail are required.**

Offerors must provide pricing for the total price to complete the required services, the hourly rate proposed for each labor category and subtotal cost of labor for each of the labor categories. To be eligible to receive an award resulting from this RFP, Contractors must be registered in the System for Award Management (SAM) database, no exceptions. To register, please visit <http://www.sam.gov>.

Offer Content: **See the attached Proposal Submission Instructions and Evaluation Criteria.**

VI. CONTRACT TERMS AND CONDITIONS:

The following provisions and clauses apply to this acquisition and can be viewed electronically at <https://www.acquisition.gov/> in accordance with RFO 52.252-2. The use in this solicitation of any Department of Defense Federal Acquisition Regulation Supplement (48 CFR Chapter 2) provision with an authorized deviation is indicated by the addition of "(DEVIATION)" after the name of the regulation.

The Following Provisions and Clauses Are Incorporated by Full Text:

RFO 52.212-2: Evaluation—Commercial Products and Commercial Services

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate Proposals:

- Factor 1 – Response to First Project Technical Approach
- Factor 2 – Management Approach, Key Personnel, and Transition Plan

- Factor 3 – Past Performance
- Factor 4 – Price

The non-price factors are equally important. When combined, the non-price factors are more importance than Price.

A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

RFO 4.203-1(a)(2) Entity - Level Offeror Representations and Certifications is incorporated by reference in this combine synopsis and solicitation. Offerors must include a statement that certifies the Offeror's Representations and Certifications are up to date in System for Award management.

The following RFO and DFARS (Class Deviation 2026-O000x) clauses are applicable to this solicitation and the resultant contract.

52.204-23	Prohibition on Contracting for Hardware, Software, and Services Developed or Provided by Kaspersky Lab and Other Covered Entities
